Youth is an impressionable time of life. In it are formed the ideals by which we shall live. These ideals are like the distant star, we may never succeed in reaching it, but we are constantly guided by its steadfast light.

The seal of Hillcrest, like the distant star, represents the standards of excellence—Truth, Honor, Loyalty, and School Spirit.

Upon this theme we proudly present "The 1965 Hilltopper."

To an outsider, Hillcrest appears to be only another institution of learning, just so many walls. But to her students, Hillcrest represents a vital part of their lives. Here, each day, they are confronted with new problems, new challenges. Each seems insurmountable at first, but then, with the help of others, these are overcome. For Hillcrest is not only an architectural structure, it is people . . . people who come challenging her with their ambitions to explore, to learn, to succeed. They place upon her the responsibility of forming their futures. Her task is an extremely burdensome one, but she will not fail.

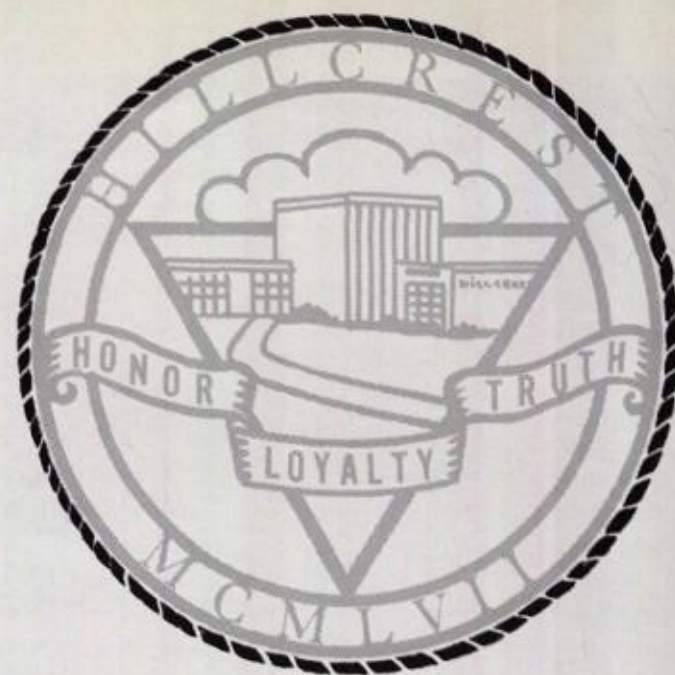

Character is molded by contact. The effect of four years spent at Hillcrest can never fully be realized. From her doors have gone eight classes of graduates and with them have gone a marked impression made by Hillcrest. Their gratitude can only be expressed in terms of their loyalty which they have within their hearts.

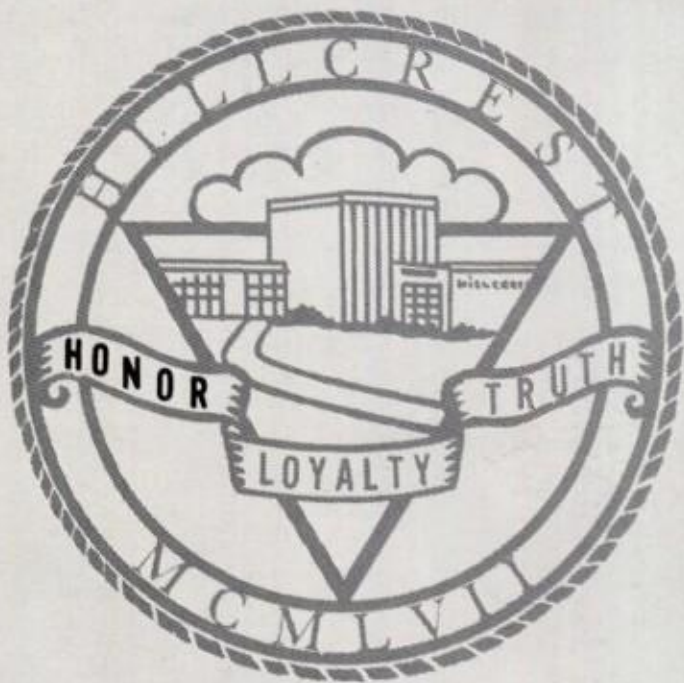

The rope signifies school spirit. Just as the rope is made strong by the combining of many smaller strands, so is school spirit made strong by the combination of many smaller activities, school pride, good sportsmanship and athletic enthusiasm. It is more than just a building.

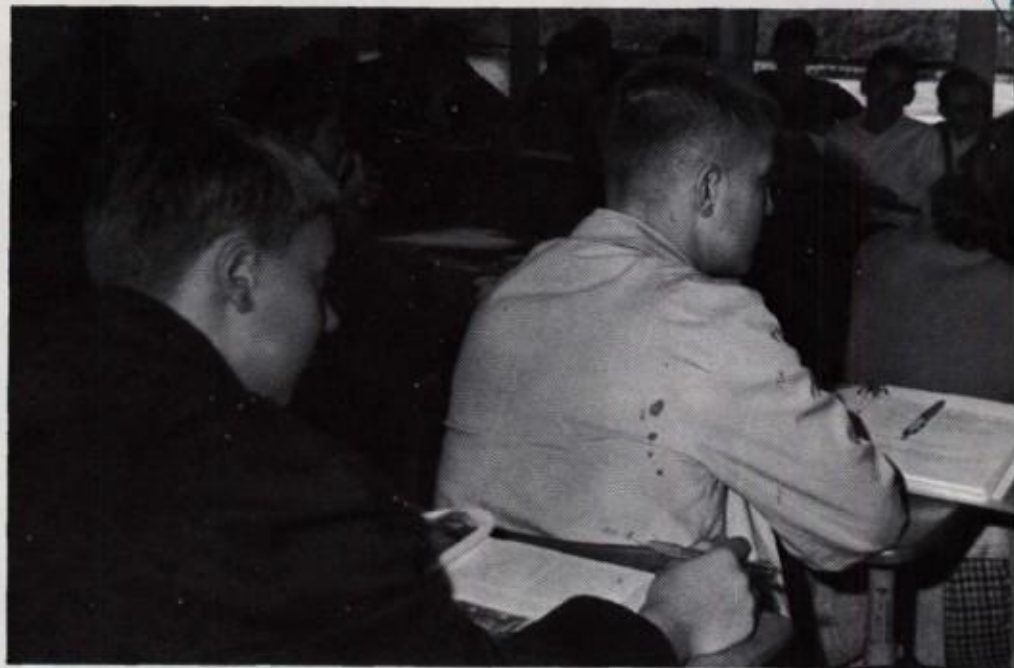

Lonnie

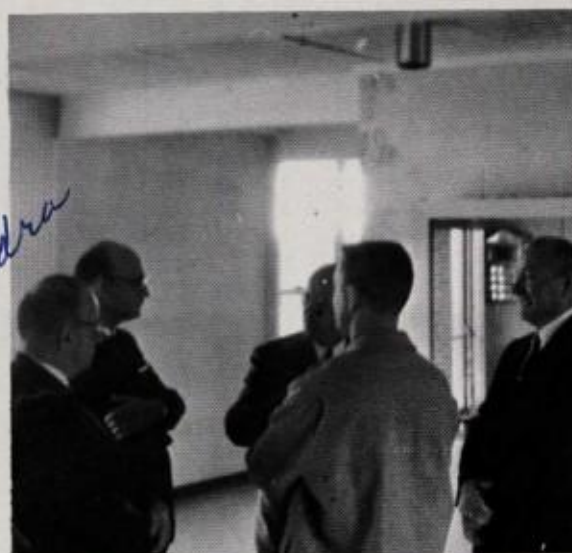

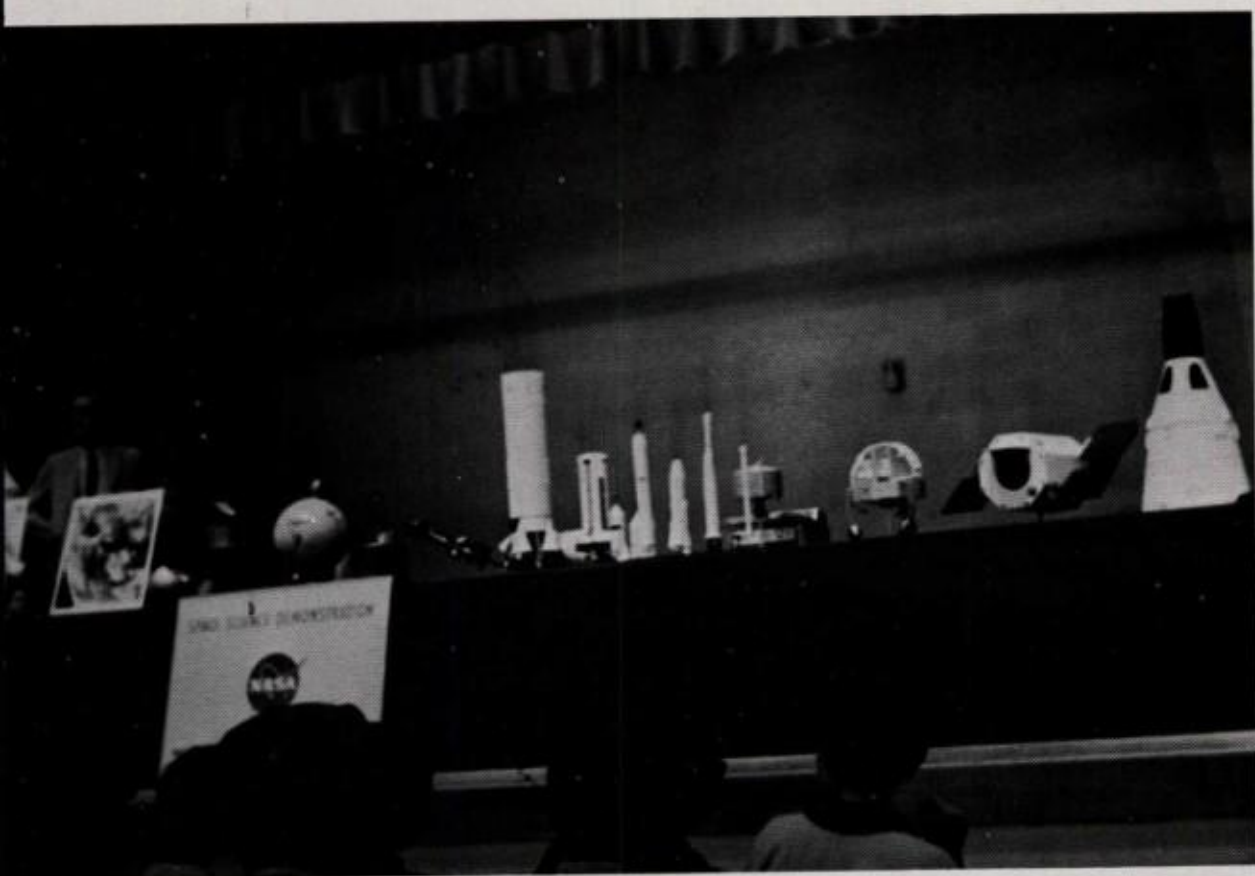

Honor is earned through achievement: achievement through long hours of study, achievement through the knowledge of having given our best to any task which we have undertaken. On the night of graduation, many of us will find tears in our eyes . . . tears caused by the thought of leaving our friends and our high school days behind. But there also will be pride and honor for Hillcrest which has given us so much.

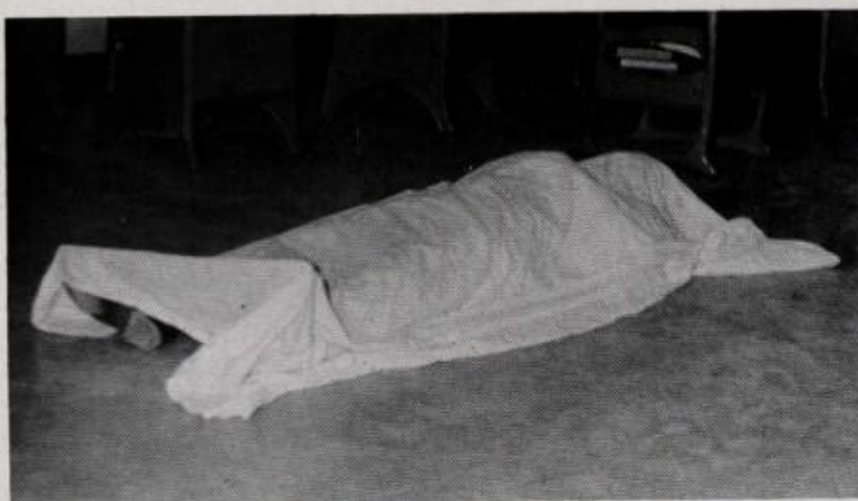

Truth is the cornerstone of knowledge. The faculty of Hillcrest endeavors to build into each student an insatiable thirst for truth through knowledge. This quest for truth will lead them through life and create within them an awareness of the world.

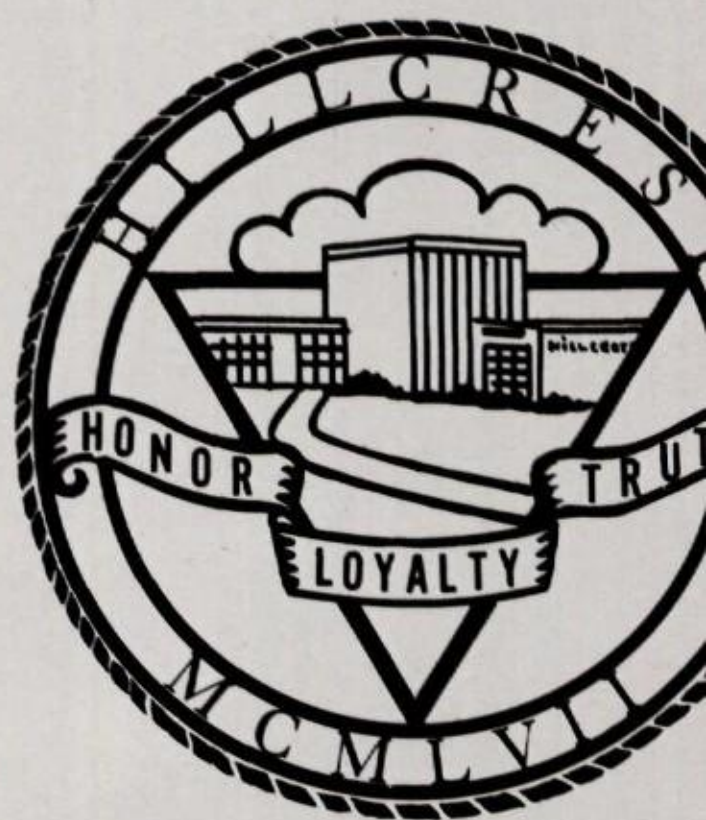

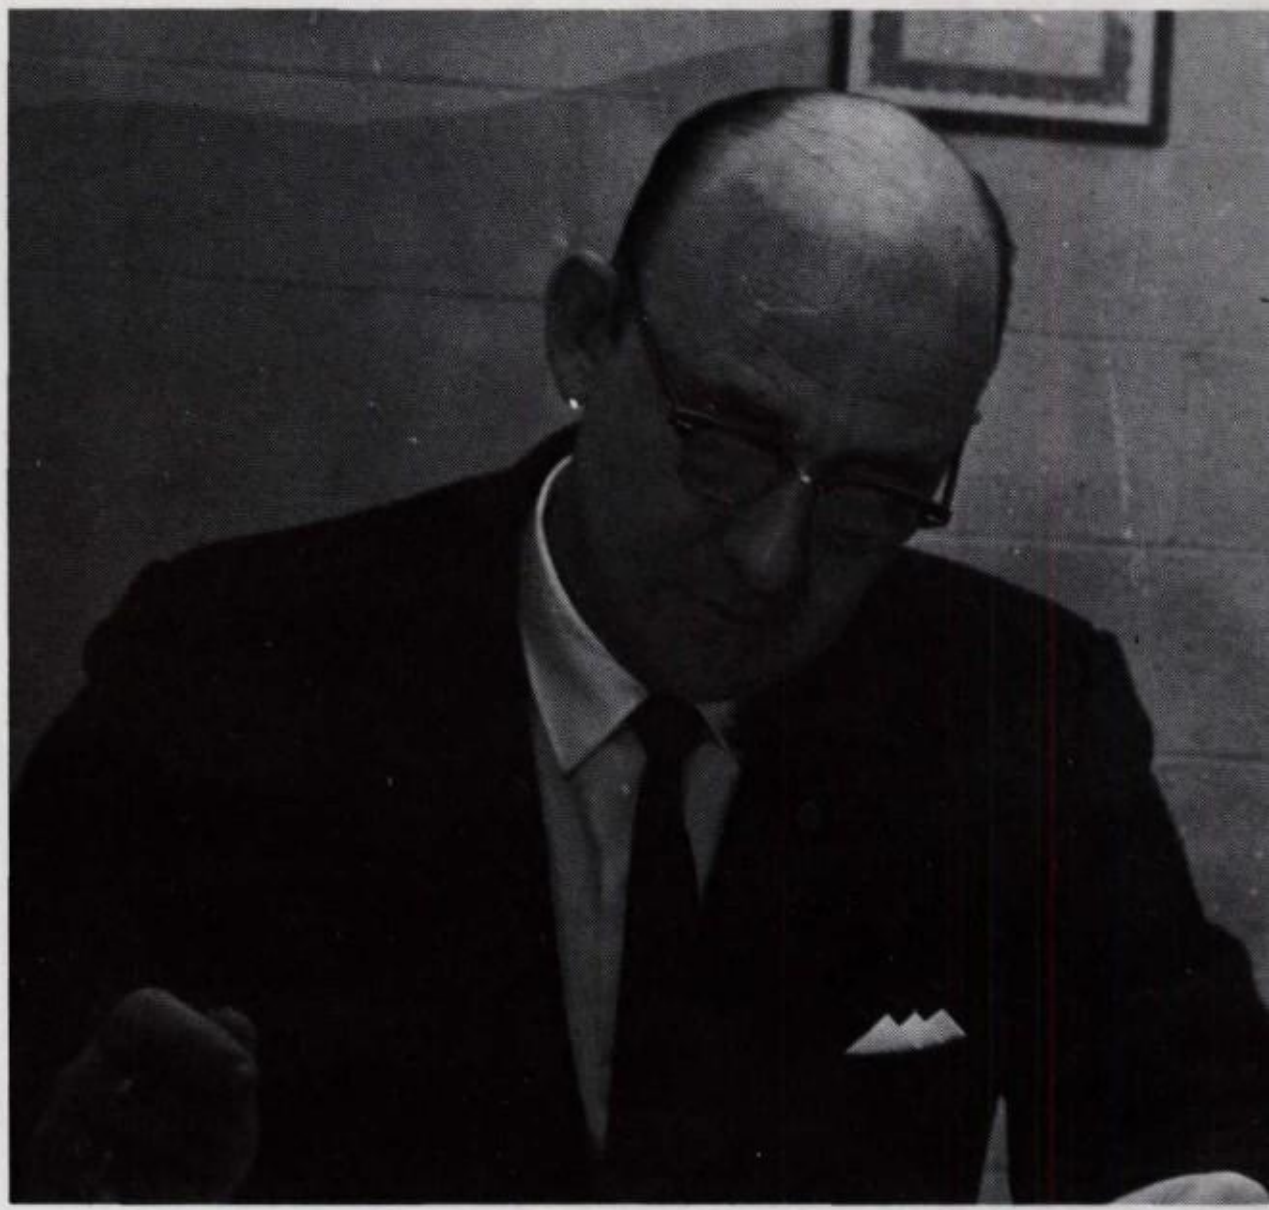

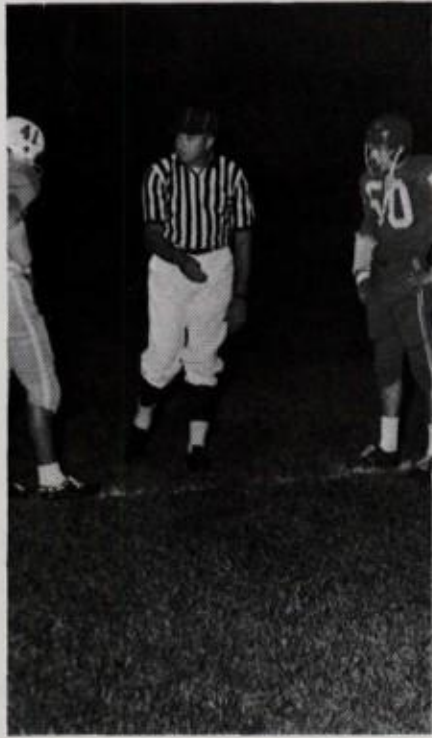

For eight years of valuable service and unfailing guidance,
 For unending devotion to the ideals of Hillcrest—
 truth, loyalty, and honor,
 For his unpretentious character,
 We dedicate the 1965 HILLTOPPER to our principal,
 MR. HUGH CHASTAIN.

HILLCREST HIGHLIGHTS

Maxine Reeves, Editor, and Mrs. Worthington, Advisor, work feverishly to get the newspaper to press.

Brenda Byars and Billy Hickman, Sports Editors, examine their work before the papers are distributed.

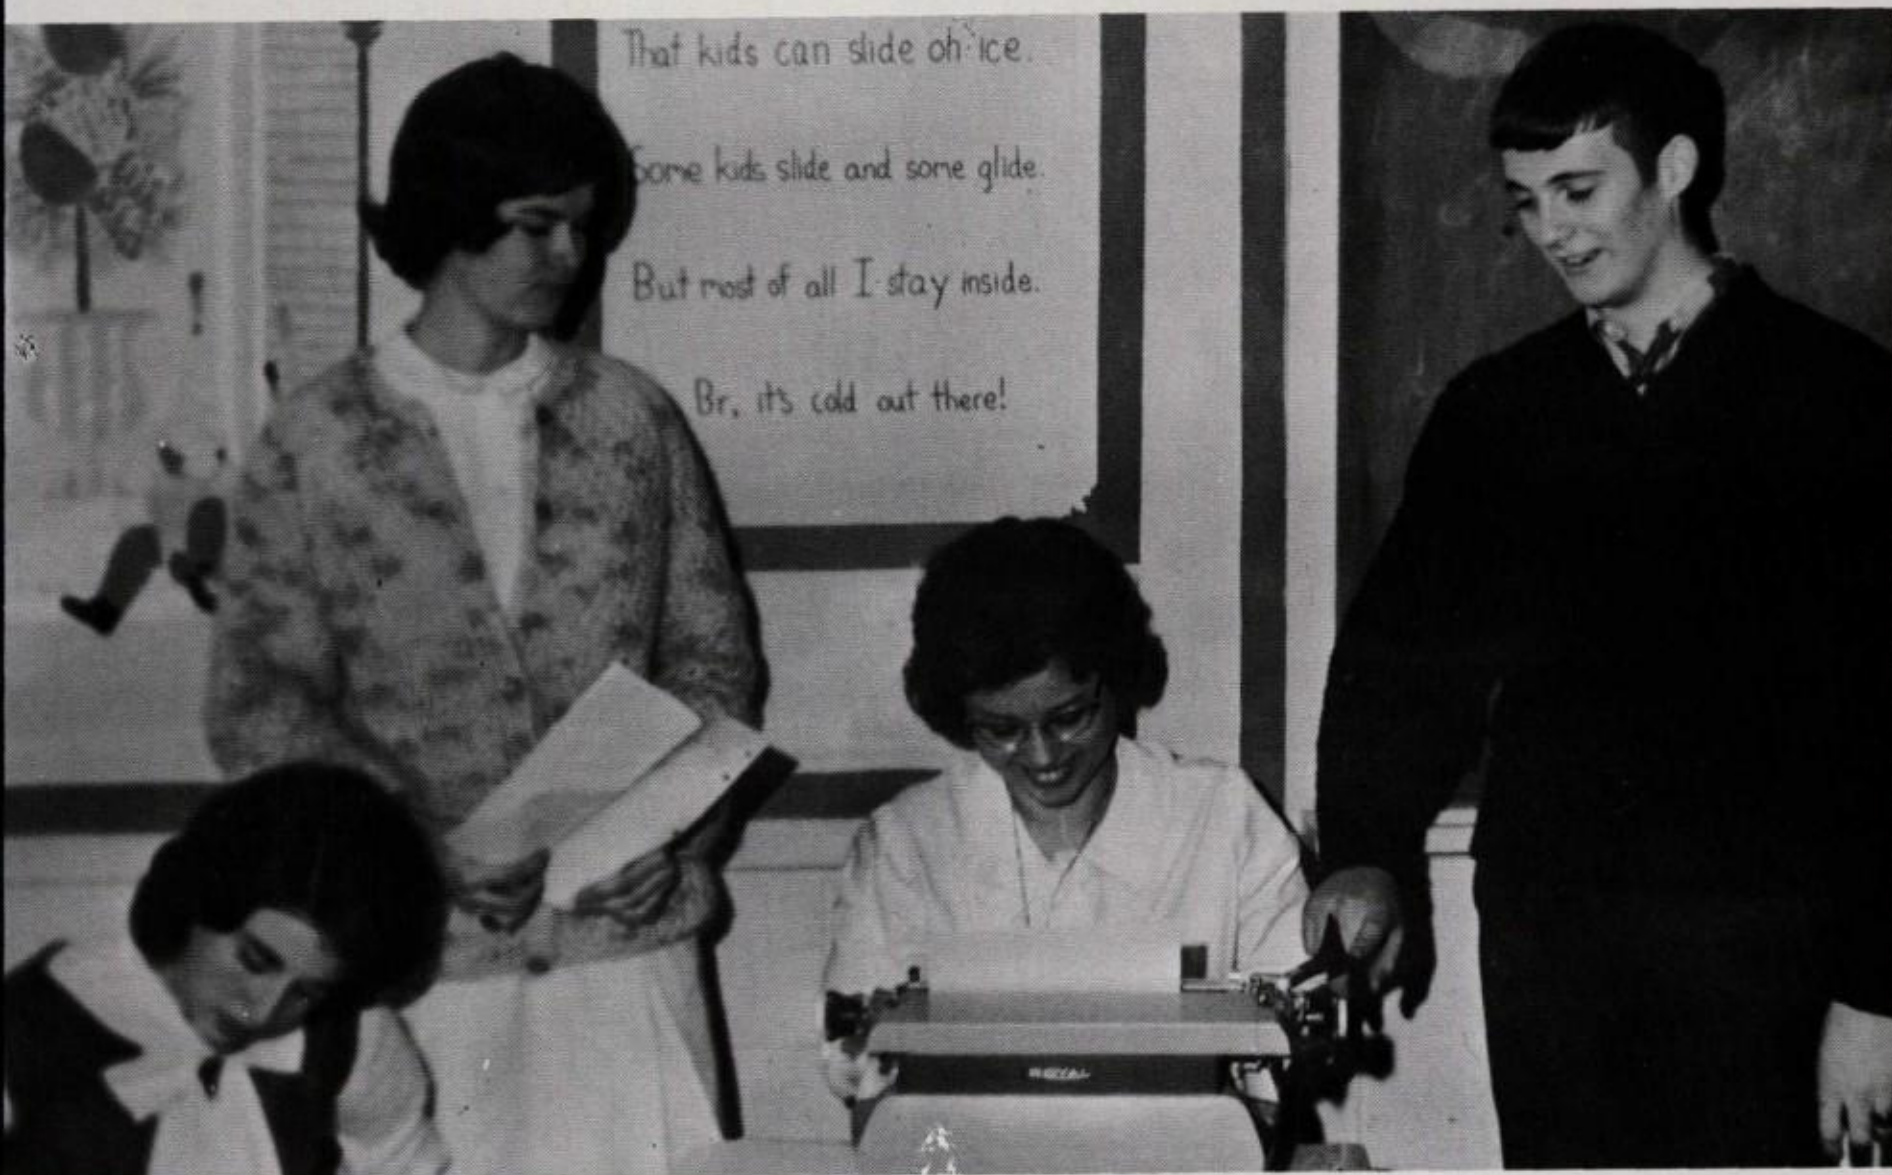

Wanda Snow, Feature Editor, and Alicia Weathers, Make-up Editor, make plans for the next edition.

Benny Wham, Photographer, and Eugenia Thomason, News Editor

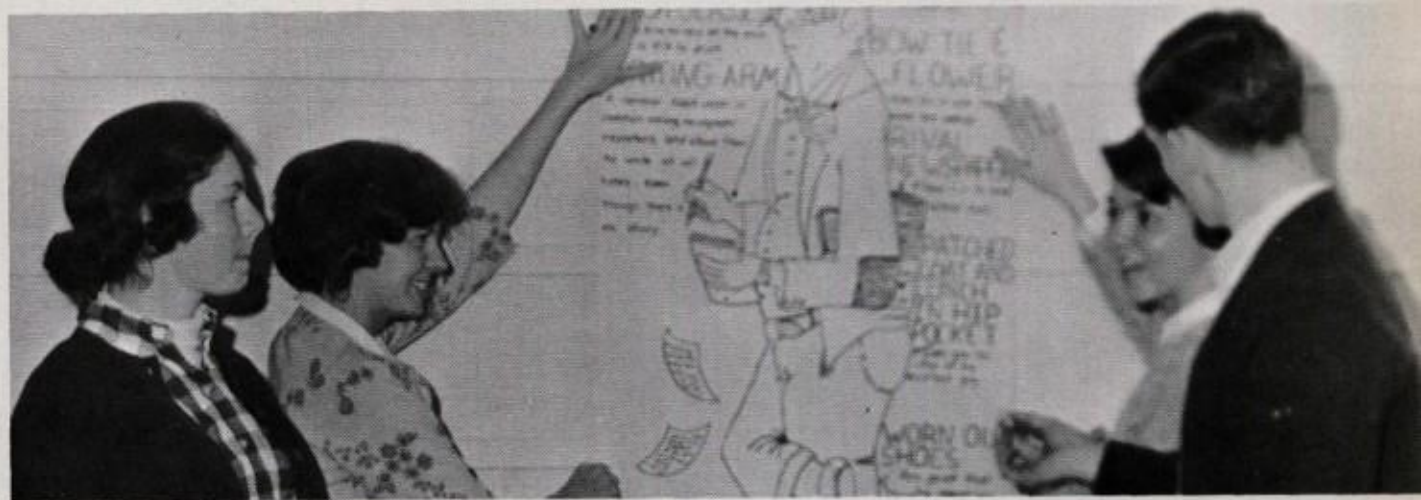

In its first year under the direction of Mrs. Georgia Worthington, the *Hillcrest Highlights* had to overcome many obstacles which stood in the way of its publication. Despite all this, the staff came through with a newspaper of which we all can be proud.

Staff members, Martha Richey, Kay Craft, Becky Wood, and Mike Tizzano, work together in compiling material for the paper.

The Business Manager, Maria Haubrick, has trouble "keeping her nose to the grindstone."

Reporters, Ronda Karelitz, Jackie Cominetti, Ann Ayers, and Walter Greer, are always on the spot to get the news when and where it happens.

Bruce Rhoden, Editor-in-chief, checks the progress of Mary Deck Jenkins, Activities Editor, and Linda Long, Features Editor.

THE HILLTOPPER

Many activities are necessary in order to publish a yearbook. From spring a year ago, the staff members have been busy planning a pictorial history of the school year. These members have "burned the midnight oil" many times to be able to present to you, the students of Hillcrest, Volume VIII of the HILLTOPPER.

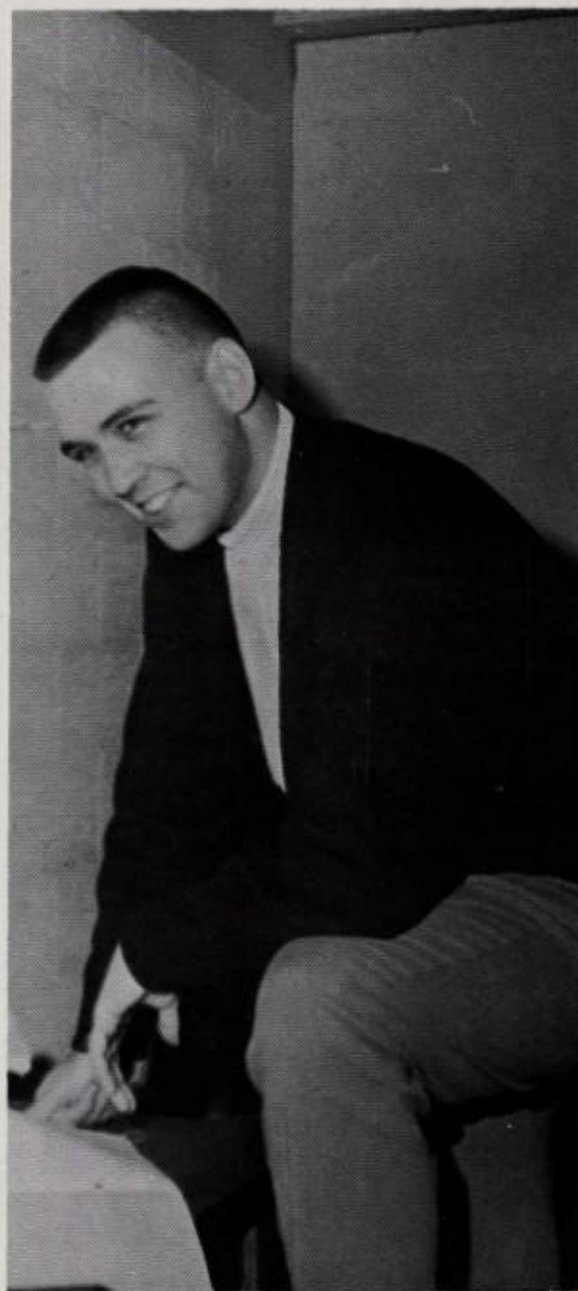

Danny Thomason and Keith Worthy, Sports Editors, often have trouble keeping their minds on the job when there are other things to be done.

Benny Wham, our Photographer, takes a well-earned break from developing pictures.

Sorting pictures and getting them identified was a difficult task for our Classes Editor, David Baskin.

Miss Satterfield, pretending to be pecking away at her typewriter, is keeping an eye on the money as Betty Lou Farrow, Business Manager, and Wanda Ruth Rogers, Advertising Editor, count it.

Our skilled typists, Betty Green and Becky Davis, marvel over the staff's new typewriter.

Martha Dobbins, Publications Editor, and Kathy Fowler, Art Editor, examine the layouts which they have drawn.

District leaders of the Advertising Team urge their members to go out and sell ads.

Crowded conditions provide a wholesome environment.

Junior staff members, standing, Charlie Barbrey, Dick Kinard, and Diana Ball. Seated, Lucy Garrett, Anne Bell, and Susan Hicks.

Junior Staff members. Estelle Weathers, Patsy Gilbert, Brenda Pepple, Gary Sutton, Bryan McGeachie, and Kathy Fowler.

Junior staff members, Terry Long, Margaret Ann Boyd, Carolyn Gault, Catherine Skelton, Billy Traynham, and Sandra McCullough.

TREASURE CHEST

Ronda, Maria, Melanie, and Ann are undecided about the humor in the piece that Maxine just read.

Students waited anxiously for the second edition of the **Treasure Chest**. Edited by the journalism class, it contained poetry, short stories, essays, and for the first time, art work contributed by members of the student body.

Wanda Snow, Assistant Editor, Mrs. Worthington, Advisor, Becky Wood, Editor, and Mike Tizzano, Business Manager, discuss one of the many problems that always arises.

Alicia Weathers, Art Editor, and Brenda Byars, Layout Editor, help Billy Hickman and Martha Richey, Short Story Editor, and Poetry Editor, plan their layouts.

Much careful and critical reading was done by Walter, Doris, Jackie, Eugenia, and Kay before deciding which pieces should be included.

ATHLETICS

The "Rams", in their second year under the leadership of Coach Eddis Freeman displayed much improvement over last year. Getting off to a slow start by tying the first game and losing the next two, the "Rams" forged on to win four out of the next five before dropping a pair at the end of the season to the "power-houses" from Byrnes and Easley.

Although the "Rams" were lacking in depth and experience, they developed into a team of which we all can be proud. After losing four out of the first five games, the boys went on to win seven games while losing only six. Without the aid of Tip Thackston, the most valuable player in the Western AA Conference, the team would not have had as much success.

The key to the success of the 1964-65 girls basketball team was because of hard work, determination to win, teamwork, and good sportsmanship. The team completed the season with a 10-4-1 record and was second in the Western AA tournament.

The outstanding playing ability of Linda Weaver, Ann Thackston, Mariann Styles, Jessie Kay Ivey, and Jean McClure will certainly be missed by the team of 1965-66.

Dear Gail,

It sure has been a great year and we sure have had some good times. We have sure had fun trying to dodge the teachers when we were out of class. I hope to see you a lot this summer so we can get into some kind of trouble.

Do you remember the time you picked me up at the Shopping Center when I was mad at my parents. That was a dilly. Wasn't it?

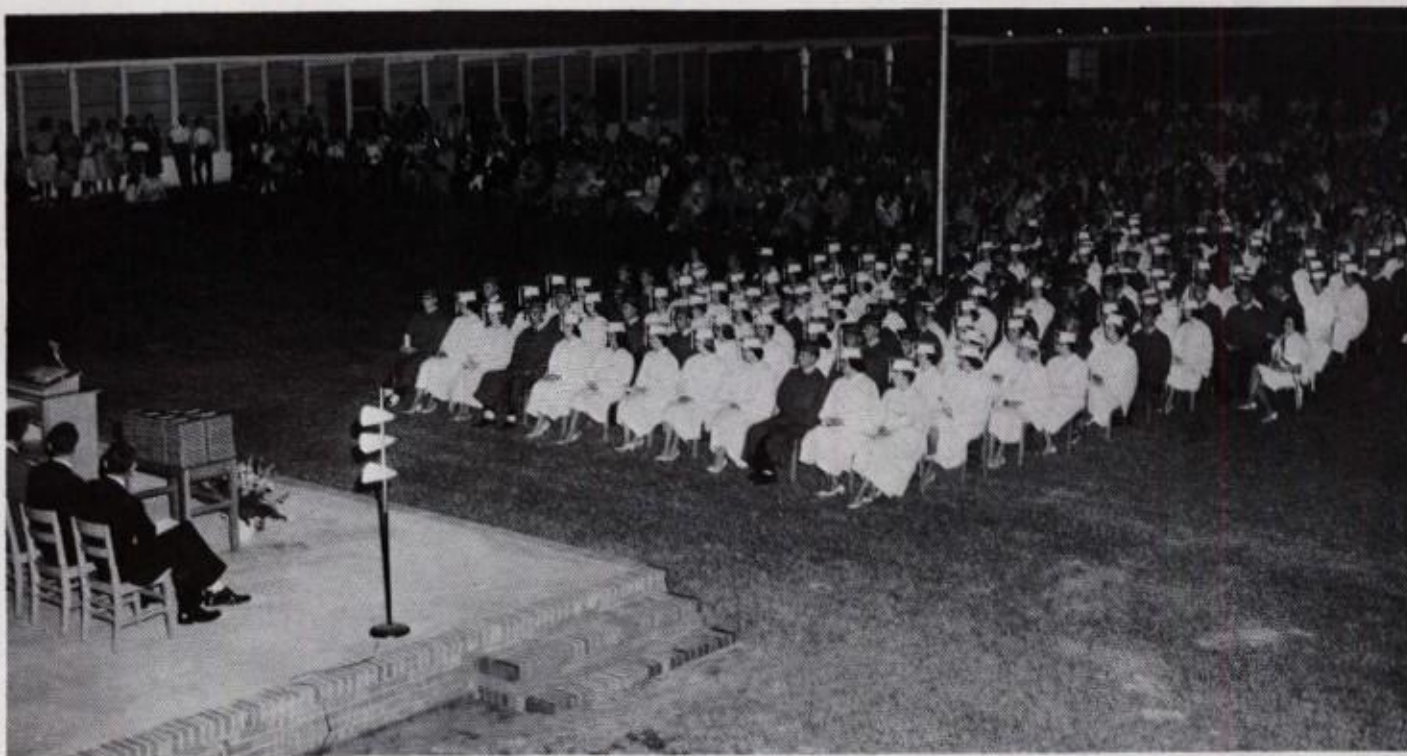

I hope we will always be the best of friends. I really do enjoy being with you. I think you are a real sweet girl. You are real cute and I know that you will always have the best of the crop in the boys. Stay as sweet and nice as you are now and we'll always be best friends. I hope you will have a nice summer, but don't get into trouble especially if I am along.

See you next year for sure.

"Love ya"

Stands against the sky.

Be filled with loyalty.

Here's to thee, O Hillcrest High School,

We'll be true to thee.

Gail,

It sure has been fun this year, getting to know each other
and having all that fun during lunch. Remember?
Also all the fun we had doubling for the "Jr. Prom".
Didn't the boys look great?

Stay the same sweet girl you are now. God bless you.
